LEGALITY OF UNITED STATES PARTICIPATION IN THE VIET NAM CONFLICT: A SYMPOSIUM

In March, 1966, the United States Department of State issued a Memorandum arguing the propriety, under international law, of American participation in the war in Viet Nam. The Journal asked two distinguished scholars of international law to comment on the Memorandum and on the relevance of law to the conflict. We invite our readers to submit scholarly comments on this topic, and we hope to continue the debate in a subsequent issue.
